

Norovirus outbreak here - please read this.

Due to an outbreak of norovirus (the winter vomiting bug), we need to ask that you don't visit today. We realise this is inconvenient, but it would help us stop the virus spreading.

You can ask about the person you were visiting and find out when it's okay to visit again by calling us on:

It's a good idea to **wash your hands** before you leave the building. If you catch norovirus, please don't visit for at least **48 hours** after your symptoms stop - you could still pass the virus on.

Thanks - we appreciate your help.
